

The Era Family

Era is the perfect family of task, work lite and meeting chairs, which has been designed to satisfy the increasing variety of tasks in the workplace. The range of chairs within the family are comfortable but not bulky, light but stable, and recognisable but versatile.

Within the Era Family there are 24 different chair options to facilitate all styles of working. Mesh, upholstered and upholstered with a rear panel back are available on task, cantilever, swivel and 4 legged bases.

From the task chair range through to the work lite and visitor options, you can create a uniform look throughout any environment using the Era Family.

A versatile, charming family of chairs.

Task

Meeting
