

VERCO

bethan
from Studio Verco

bethan_ mutli-purpose seating

With a minimal design aesthetic married to superior comfort, Bethan offers an ultra modern, sleek approach to meeting spaces in your current agile workplace.

BET 1

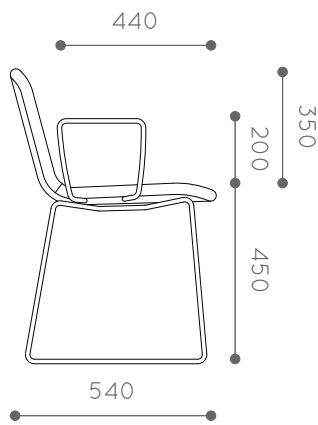

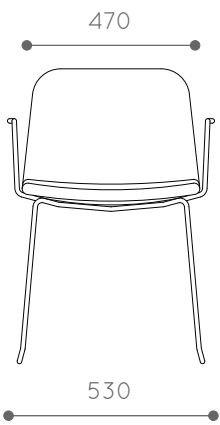

BET 2

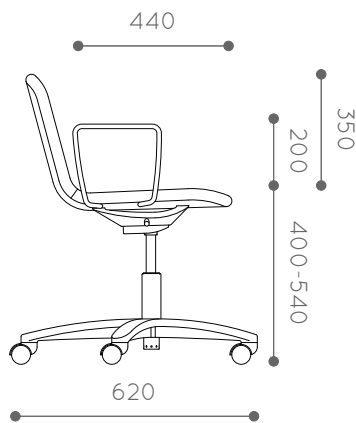

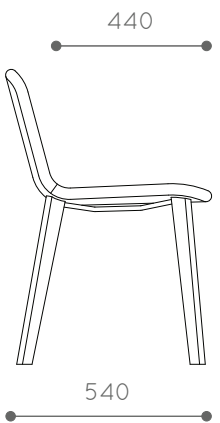

BET 12

Ergonomically shaped, moulded re-curve ply shell meets combustion modified high resilient (CHMR) foam to provide superior comfort.

A choice of slender, solid wire chrome sled frame, contemporary solid oak legs, or polished metal 5 star base provides the style and ability to meet the demands of the modern workplace.

optional solid oak legs (wl)
